

RENE CAOVILLA

The Venetian Pilgrim

ISHITA BAJAJ

Masters luxury accessories design and management

*Dazzled and dazzled by the gleaming
band of water at her feet, she was
enchanted by the mysteries of Venice.*

*Venice to her was something more
The pleasant place of all festivity, the
revel of the Earth, the masque of Italy*

**The concept follows a woman on
her journey through Venice.
She follows, observes and admires,
the elegance and mysteries of this
whimsical city amidst the water.**

**Stepping into each shoe from the
collection, one is transported to the
various magical locations, in-time to
explore the hidden treasures of luxury,
detail and tradition offered by the
enchanting city of Venice.**
